Thousands of Roads-Maria Savchyn Pyskir 2001-01-04 Before, during, and after World War II, Maria Savchyn Pyskir served in the Ukrainian Underground resistance. Her dramatic and poignant memoir tells of her recruitment into underground service at age 14, her participation in resistance activities during the War, her bittersweet marriage to revolutionary leader "Orlan," her struggle against Stalinist forces, and her captures by and escapes from the KGB. In the 1950s when she escaped to the West, she began these memoirs, which were not published in Ukrainian until after the fall of the Soviet Union. Their appearance in Ukrainian caused a sensation, as she remains the only survivor of the Ukrainian Insurgent Army (UPA) to have told her tale, now offered in English. Pyskir, whose escape came at the cost of her husband, children, and family, recreates in her memoir an astonishing account of her experiences as a Ukrainian partisan, a woman, a wife, a mother, and an outcast from her own land. The book contains maps, many of the author's own photographs, and a foreword by John A. Armstrong.

Best Sellers- 1970

Lair: Radical Homes and Hideouts of Movie Villains-Oppenheim 2019-11-05 WHY DO BAD GUYS LIVE IN GOOD HOUSES? From Atlantis in The Spy Who Loved Me to Nathan Bateman's ultra-modern abode in Ex Machina, big-screen villains often live in architectural splendor. From a design standpoint, the villain's lair, as popularized in many of our favorite movies, is a stunning, sophisticated, envy-inducing expression of the warped drives and desires of its occupant. Lair: Radical Homes and Hideouts of Movie Villains, celebrates and considers several iconic villains' lairs from recent film history. From futuristic fantasies to deathtrap-laden hives, from dwellings in space to those under the sea, pop culture and architecture join forces in these outlandish, primarily modern homes and in Lair, which features buildings from fifteen films, including: Dr. Strangelove Or: How I Learned to Stop Worrying and Love the Bomb Star Wars The Incredibles Blade Runner 2049 You Only Live Twice The Ghost Writer Body Double North by Northwest Edited by acclaimed architect Chad Oppenheim with Andrea Gollin, Lair includes interviews with production designers and other industry professionals such as Ralph Eggleston, Richard Donner, Roger Christian, David Scheunemann, Gregg Henry, and Mark Digby. Contributors include director Michael Mann, cultural critic Christopher Frayling, museum director Joseph Rosa, and architect Amy Murphy. Architectural illustrations and renderings by Carlos Fueyo provide multiple in-depth views of these spaces.

The Hideout-Susanna Mattiangeli 2019-06-04 It's time to go, but no one can find Hannah! That's because she's in the park with much to do. She needs to collect caterpillars and sticks, make a bow and arrow, and build a bed out of leaves. Deep in the shrubs, she sets up a secret hideout for herself and her companion, an Odd Furry Creature. Together, they hunker down over the campfire, lost in their own little world. But then a voice cuts through the branches and clearly says, "Where are you?" Hannah brushes off her paper, and the reader learns that Hannah was lost—not in the woods—but in her drawing. This dreamlike, lyrical picture book with shades of Where the Wild Things Are illustrates the power of imagination to transport us to new worlds.

The Left Side of History-Kristen Ghodsee 2015-04-26 In The Left Side of History Kristen Ghodsee tells the stories of partisans fighting behind the lines in Nazi-allied Bulgaria during World War II: British officer Frank Thompson, brother of the great historian E.P. Thompson, and fourteen-year-old Elena Lagadinova, the youngest female member of the armed anti-fascist resistance. But these people were not merely anti-fascist; they were pro-communist, idealists moved by their socialist principles to fight and sometimes die for a cause they believed to be right. Victory brought forty years of communist dictatorship followed by unbridled capitalism after the fall of the Berlin Wall in 1989. Today in democratic Eastern Europe there is ever-increasing despair, disenchantment with the post-communist present, and growing nostalgia for the communist past. These phenomena are difficult to understand in the West, where "communism" is a dirty word that is quickly equated with Stalin and Soviet labor

camp. By starting with the stories of people like Thompson and Lagadinova, Ghodsee provides a more nuanced understanding of how communist ideals could inspire ordinary people to make extraordinary sacrifices.

Letters to Horrie-Mitzi Broome McKinney 2007-08-23 These letters/essays were written by Mitzi Broome McKinney, and posthumously compiled (and very minimally edited) by her daughter, Rebekah McKinney-Reese. They are stories about Mitzis childhood in West Texas on the ranch near Broome, Texas, with memories about her family and friends. The stories are insightful, poignant, and a window into the mind and spirit of a woman nearing the end of her liferemembering good times, bad times, lessons learned, and all the Life in between. Mitzi began writing these Letters to Horrie as shared remembrances with her cousin, Horace Kelton, when she was first exploring the wonderful new world of e-mail. She wrote other essays/stories as well, which are also included. Writing provided a creative outlet when Mitzis physical limitations prohibited her from working with her beloved metal, and a vehicle for writing down memories that would have been lost had she not committed them to the written word. Her family is very grateful that she did. Rebekah compiled these letters/essays after Mitzi died in November 2006. It was a way to help her cope with her immense grief, and she felt closer to her mother as she read and re-read the material. Rebekah and Mitzi always talked about compiling these letters into a book, but never quite got around to it. Mitzi was none too happy with her daughters coaxing her into the computer age, but we now know from these writings that she was glad she did. Reading these memories now made Rebekah wish she could ask her mother a million more questions, and she hopes that publishing these stories will keep her mothers memory and a way of life gone by alive for future generations. This little book was compiled primarily as a legacy for Mitzis family and friends. If other readers find this material, and are encouraged to write down their familys stories and history, so much the better.

101 Bass Fishing Tips-John Naporadny, Jr. 2013-01-01 Offers tips, techniques, and tactics from the top competitors and elite touring professionals on how to choose the right tackle and locate fish on drop-offs, ledges, points, and flats for more successful angling.

The Search for Major Plagge-Michael Good 2005 On April 11, 2005, in Jerusalem, Karl Plagge will be named a "Righteous Amongthe Nations" hero by the State of Israel. He joins Oskar Schindler and some380 other similarly honored Germans who protected and saved Jews duringthe Holocaust.Karl Plagge's story is of a unique kind of courage—that of a German army officerwho subverted the system of death to save the lives of some 250 Jews in Vilna,Lithuania. One of those he saved was Michael Good's mother.Haunted by his mother's stories of the mysterious officer who commanded herslave labor camp, Michael Good resolved to find out all he could about the enigmatic"Major Plagge." For five years, he wrote hundreds of letters and scoured theInternet to recover, in one hard-earned bit of evidence after another, informationabout the man whose moral choices saved hundreds of lives. This unforgettablebook is the first portrait of a modest man who simply refused to play by the rules.Interviewing camp survivors, opening German files untouched for more thanfifty years, and translating newly discovered letters, Good weaves an amazing tale.An engineer from Darmstadt, Plagge joined, and then left, the Nazi Party. In Vilna,in whose teeming ghetto tens of thousands of Jews faced extermination, he foundhimself in charge of a camp where military vehicles were repaired. Time aftertime, he saved Jews from prison, SS death squads, and the ghetto by issuingthem work permits as "indispensable" laborers essential to the war effort.Karl Plagge never considered himself a hero, describing himself as a fellow travelerfor not doing more to fight the regime. He said that he saved Jews—and others—because "I thought it was my duty." This book also reminds us of the many wayshuman beings can resist evil. "There are always some people," Pearl Good said ofthe man who saved her life when he didn't have to, "who decide that the horroris not to be."

The Exile-Adrian Levy 2017-05-23 Startling and scandalous, this is an intimate insider's story of Osama bin Laden's retinue in the ten years after 9/11, a family in flight and at war. From September 11, 2001 to May 2, 2011, Osama Bin Laden evaded intelligence services and special forces units, drones and hunter killer squads. The Exile tells the extraordinary inside story of that decade through the eyes of those who witnessed it: bin Laden's four wives and many children, his deputies and military strategists, his spiritual advisor, the CIA, Pakistan's ISI, and many others who have never before told their stories. Investigative journalists Cathy Scott-Clark and Adrian Levy gained unique access to Osama bin Laden's inner circle, and they recount the flight of Al Qaeda's forces and bin Laden's innocent family members, the gradual formation of ISIS by bin Laden's lieutenants, and bin Laden's rising paranoia and eroding control over his organization. They also reveal that the Bush White House knew the whereabouts of bin Laden's family and Al Qaeda's military and religious leaders, but rejected opportunities to capture them, pursuing war in the Persian Gulf instead, and offer insights into how Al Qaeda will attempt to regenerate itself in the coming years. While we think we know what happened in Abbottabad on May 2, 2011, we know little about the wilderness years that led to that shocking event. As authoritative in its scope and detail as it is propusively readable, The Exile is a landmark work of investigation and reporting.

Holiday Hideout-Lynette Eason 2015-10-19 A HEARTPOUNING, CLASSIC STORY FROM AUTHOR LYNETTE EASON All Dr. Abby Sullivan wants for Christmas is to escape her guilt. Yet no matter how far and fast she runs, she can't leave behind her past or the grim secret she carries. Then a stalker's threats send her on a chilling journey to Rose Mountain, North Carolina, where she's forced to rely on a stranger's protection. But her reliance on handsome cop Cal MacIvers puts him and his family in danger. To survive a deadly showdown, Abby will have to choose: flee again or fight for her life—and for love. Book 2 of Rose Mountain Refuge: A Safe Place to Hide

Menace in the Fog-J. H. Rhodes 1984

The Secret Hideout-Paul Hutchens 1997-06-01 The tales and travels of the Sugar Creek Gang have passed the test of time, delighting young readers for more than fifty years. Great mysteries for kids with a message, The Sugar Creek Gang series chronicles the faith-building adventures of a group of fun-loving, courageous Christian boys. Your kids will be thrilled, chilled, and inspired to grow as they follow the legendary escapades of Bill Collins, Dragonfly, and the rest of the gang as they struggle with the application of their Christian faith to the adventure of life. "Poetry" brings his muddy lamb into Miss Lilly's classroom, and chaos breaks out. The gang later discovers a mysterious cave with a hidden passage near the cemetery. When they spend the night in the cave, they are frightened by two very different visitors dressed in white. Could they be ghosts? Join the gang as Poetry's pet lamb provides a helpful explanation of Jesus' parable of the lost sheep.

Human Relations in the Classroom-Harold Edmund Bullis 1951

One Winter's Night-Brenda Jackson 2012-12-01 Riley Westmoreland never mixes business with pleasure—until he meets his company's gorgeous new party planner. But when he gets Alpha Blake into bed, he realizes one night will never be enough. That's when her past threatens to end their affair. So Riley does what any Westmoreland male would do...he vows to win her heart—for good.

The Winter Sister-Megan Collins 2019-02-05 A "haunting debut: suspenseful, atmospheric, and completely riveting" (Megan Miranda, New York Times bestselling author of All the Missing Girls) about a young woman who returns home to care for her ailing mother and begins to dig deeper into her sister's unsolved murder. Sixteen

years ago, Sylvie’s sister, Persephone, never came home. Out late with the boyfriend she was forbidden to see, Persephone was missing for three days before her body was found—and years later, her murder is still unsolved. In the present day, Sylvie returns home to care for her estranged mother, Annie, as she undergoes treatment for cancer. Prone to unexplained “Dark Days” even before Persephone’s death, Annie’s once-close bond with Sylvie dissolved in the weeks after their loss, making for an uncomfortable reunion all these years later. Adding to the discomfort, Persephone’s former boyfriend is now a nurse at the cancer center where Annie is being treated. Sylvie has always believed Ben was responsible for the murder—but she carries her own guilt about that night, guilt that traps her in the past while the world goes on around her. As she navigates the complicated relationship with her mother, Sylvie begins to uncover the secrets that fill their house—and what really happened the night Persephone died. *The Winter Sister* is a “bewitching” (Kirkus Reviews) portrayal of the complex bond between sisters, between mothers and daughters alike, and “will captivate you from suspenseful start to surprising finish” (Kathleen Barber, author of *Are You Sleeping*).

Baby Face Nelson-Steven Nickel 2002 Describes the life and criminal career of the bank robber and killer known as Baby Face Nelson.

Hideouts-Gestalten 2018-04-30 Spend your holidays in tiny huts, cabins, treehouses, and houseboats in remote places. *Cabinette* is a guide to vacations cast far away from civilization.

Soul of the Age-Hermann Hesse 1991-09 Throughout his life, Herman Hesse was a devoted letter writer. He corresponded, not just with friends and family, but also with his readers. From his letters home from the seminary at age fourteen, to his last letters, written days before his death at eighty-five, this selection gives a sense of the author of some of the most widely read books of the century.

Henry Heckelbeck and the Haunted Hideout-Wanda Coven 2020-07-21 Henry uses magic to build an awesome fort...but is his new hideout haunted? Find out in this third Henry Heckelbeck adventure! Henry is just

like any other normal kid. He plays soccer. He isn’t a huge fan of homework. He even has an older sister, Heidi. What’s not so normal about Henry is that he’s magic. Henry also needs a hideout. He needs a place to play with his best friend where his sister can’t bother them. A hideout like this calls for a magic spell. But can magic make a hideout haunted? With easy-to-read language and illustrations on almost every page, the Henry Heckelbeck chapter books are perfect for beginning readers.
