Green Willows-V. J. Banis 2012-11-29 "I see two women struggling together by the lake. I see them fall into the water... The wind rustles the branches of the willows and it is the sound of gentle sobbing in the night... Someone screams..." Something dark and mysterious haunts the halls of stately Green Willows. Village gossip says it's the ghost of Jonathon Tremayne's wife, the beautiful and saintly Angela, who was treacherously murdered here. Pretty Mary Kirkpatrick, hired as governess to Jonathon's only child, Elizabeth, quickly finds herself falling in love with the handsome master of Green Willows, and discounts the gossip--until the night she finds herself confronted with a ghostly apparition! A riveting horror novel with a nineteenth-century gothic setting!

Green Willows-Jan Alexander 2004 "Mary Kirkpatrick was not given to fanciful flights of the imagination. But from the evening she came to work as governess at Green Willows, she was convinced that a ghost wandered the dark, rambling halls at night. But Mary's growing love for handsome Johnathon Tremayne blinded her to danger."

Banks of Green Willow-Kevin Myers 2002 A powerful, moving novel of love and war Dublin airport, 1972. Gina, nineteen, too young to be wise, but old enough for love, sex and the repercussions of both, is being borne by the currents of history and habit away from the man she loves. Half Irish, half Bosnian, Stefan is being swept by those same currents towards a different destiny. At home in America, Gina opts for safety in marriage to Warren who takes her son, Tom, as his own. But her friendship with the noisy, unpredictable Bracken family soon calls her back to her beloved Ireland. Moving down the decades between the cheerful bedlam of the Bracken family in Ireland, the routine of life in small town Louisiana and the stark horrors of war in Bosnia, **BANKS OF GREEN WILLOW** is about the

inescapable consequences of 20th century history on commonplace lives. It is a funny, sensuous and at times deeply moving celebration of humanity. But above all, *BANKS OF GREEN WILLOW* is an ode to love.

Picking Willows-Pat Lindgren-Kurtz 2011-10-06 *PICKING WILLOWS*, With Daisy and Lilly Baker, Maidu Basket Makers of Lake Almanor earned the iUniverse Editor's Choice recognition and stated that it is a compelling memoir and a valuable anthropological and cultural record. The seeds of a cross-cultural friendship were first sowed in 1955 when author Pat Lindgren-Kurtz's family first met indigenous Mountain Maidu basket makers Lilly Baker and her mother, Daisy. As the friendship grew, the contrasts in their backgrounds only enriched their experiences. In her heartfelt memoir, Lindgren-Kurtz not only retells the story of a lifelong friendship, but also details how two cultures intertwined while Daisy and Lilly create beautiful baskets to be cherished by many generations. As she shares charming anecdotes from her life living with the California Mountain Maidu people, picking willows, and observing their basket-making techniques, she offers an intriguing glimpse into the Maidu culture, their personal trials and tragedies, and the dramatic environmental changes affecting Maidu life from the Gold Rush to contemporary times. Lindgren-Kurtz details that Lilly and Daisy, as part of a large family of skilled basket-makers, persisted in sharing their culture and traditional art through hands-on demonstrations for thousands. Women basket makers from Daisy's and Lilly's Maidu family are recognized as some of the best artisans of Indian basketry in North America. "A charming basket of untold California history, family memoir, and especially friendships among talented artists from two different cultures." —Bruce Shelly, screenwriter and author

Man'yōshū (Book 15)- 2009-08-01 The largest Japanese poetic anthology, thus the most important compendium of Japanese culture of the Asuka and

Nara periods, is very much more than a work of literature. The author presents the Man'yōshū preserving as far as possible the flavour, sounds and semantics of the original poems. The result is a more literate but true translation.
