Governor William Goebel, (from the Western Argus, 1900).-Jennie Chinn Morton 1904

The Assassination of Senator William Goebel-Israel J. Howard 1997

The People, William Goebel, and the Kentucky Railroads-Thomas Dionysius Clark 1939

Fred & Nettie's Love Letters: The History of Their Time, Kentucky, 1900-1904-Suzanne Fister Levne 2017-01-30 This creative nonfiction work is based on the romance and actual love letters of Marie Antoinette “Nettie” Stuntebeck and Fred Marion Fister of Kentucky from 1900–1904. Before radio, television, and autos, they carried on their romance separated by 100 miles, a full day’s round trip by train and not manageable by buggy or horseback. Times and love were fraught with danger. They faced deadly plagues, putrid water systems, horrific accidents, violence, murders, and vicious political turmoil that included the assassinations of Kentucky Governor William Goebel and US President William McKinley. About the only reliable things they had were local daily newspapers and US postal service mail delivery 365 days a year (366 in leap years), including Sundays and holidays. Their letters engendered curiosity and this book.

Goebel-Werner Moderhack 2002-06-30 The fascinating world of Goebel is brought to you by two of the world's foremost authorities, Werner Moderhack and Ray Wagner. This book, Goebel: The Collector's Guide, is printed in full color and is the most comprehensive and completely researched guide ever published on Goebel products. It is published with the approval and cooperation of Goebel Porzellanfabrik, Rodental, Germany. Contents include: Value and Identification Guide; Listings of Goebel Artists and Sculptors; Trademark History, Goebel History. Many prototypes and other rare pieces; and Madonnas which include figurines, wall hangings, plaques, busts and grave markers. Every category is as complete as research and expertise will permit. Plus Works of major atists such as Lore (Blumenkinder), Kathe Kruse, Normal Rockwell (Original), Schaubach, Nasha, Huldah, Staeble and many others.

Goebel Observations on the Trial and Incidents of the Delivery of This Masterly Address, by Llewellyn F. Sinclair, of Counsel for P Speech in His Own Behalf, Before the Jury That Sentenced Him to Death on the Charge of Being an Accessory Before the Fact to the Murder of William Goebel (Abridged, Annotated)-Caleb Powers 2016-11-05 Written from prison, where he served years for his conviction of being part of a conspiracy that assassinated Kentucky rival politician, William Goebel, this is Caleb Powers plea to clear his name. Sentenced to hang after three trials, he describes the horror of doing prison time for a crime in which he had no part.Powers also describes the incredibly toxic Kentucky politics that led to Goebel's death in 1900 and ensured his own conviction. These were the days of congressmen and senators going into chambers armed and full of venom.Conspiracies abounded on both sides and there is much in this story that will remind you of today's politics.

Great Speech of Caleb Powers Before the Jury that Sentenced Him to Death Upon the Charge of Being an Accessory Before the Fact to the Murder of William Goebel-Caleb Powers 1903

The First New Dealer, William Goebel-Urey Woodson 1939

My Own Story-Caleb Powers 1905

Assassination at the State House-

William Goebel, A Kentucky Politician-Robert Riley 1970

Conspiracy: the Killing of William Goebel (Abridged, Annotated)-Caleb Powers 2016-11-05 Written from prison, where he served years for his conviction of being part of a conspiracy that assassinated Kentucky rival politician, William Goebel, this is Caleb Powers plea to clear his name. General Assembly of the Commonwealth of Kentucky-William S. Taylor 1900

William Goebel-James C. Klotter 2021-12-14 The turbulent career of William Goebel (1856–1900), which culminated in assassination, marked an end-of-the-century struggle for political control of Kentucky. Although populism had become a strong force in the nation, the Louisville and Nashville Railroad and ex-Confederates still dominated the state and its Democratic party. Touting reforms and attaching the railroad monopoly, Goebel challenged this old order. A Yankee in a state that fancied itself southern, Goebel had to depend on a strong organization to win votes. As “The Kenton King” he created a new style of politics. To some he was a progressive reformer; to others, a tyrannical machine boss. His drive for power and his enemies’ fierce opposition aroused violent political factionalism. Goebel's fateful duel with a rival, his partisan election law, and his ruthless convention tactics led to the bitterly contested gubernatorial election of 1899 that resulted in his murder. Although the full truth about the murder was never revealed in nearly a decade of trials and the advent of progressive politics was long delayed in Kentucky, Goebel's death did relieve the state's political turmoil and induce some legal reforms. Using new sources and fresh perspectives, James C. Klotter portrays Goebel's tumultuous era and discovers the real man within the obscurity of his conflicting images.

reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Europe Revised—Irvin Shrewsbury Cobb 1914 High quality reprint of Europe Revised by Irvin S. Cobb.

Goebel—Gary Lee 2004 Goebel (pronounced like ‘noble’) is the life story of William Goebel Rothwell, named after a governor of Kentucky who was assassinated on the day Goebel was born in 1900. This is the true story of my grandfather, a remarkable man who had special powers given to seventh sons. In addition to the stories of Goebel’s healing powers are snapshots of the way he lived and helped his neighbors throughout his life - a life cut short by the effects of tobacco smoking and stomach ailments resulting from his time in France during World War I. The cover is an example of how remarkable Goebel’s life was and how signs of his life and death deeply affected all things and all people with whom he came into contact. On the cover is a copy of Goebel’s picture which hung on Goebel’s bedroom wall for many years. As Goebel began to die, the black and white picture began turning to silver and gold colors, and continued to change in color from top to bottom until Goebel passed away, at which time the changing of colors stopped. The picture seems to show the life draining from Goebel’s body, with no physical explanation for why the changes in the picture occurred during that particular time.

My Own Story—Caleb Powers 2012-01-28 Hardcover reprint of the original 1905 edition - beautifully bound in brown cloth covers featuring titles stamped in gold, 8vo - 6x9. No adjustments have been made to the original text, giving readers the full antiquarian experience. For quality purposes, all text and images are printed as black and white. True Tales of Old-Time Kentucky Politics—Berry Craig 2009-04-13 Did you know that William Goebel of Kentucky remains the only state governor to be assassinated while in office? Or that Abraham Lincoln, now a favorite son of the Bluegrass State, garnered less than 1 percent of the state’s vote in 1860? How about Matthew Lyon, the congressman who won reelection from a jail cell and once bit off the thumb of a voter during a brawl on the House floor? These are but three of the most engaging and little-known stories of Kentucky’s political past found in True Tales of Old-Time Kentucky Politics. Join longtime columnist Berry Craig as he shares tales of a time when votes could be bought with a drink and political differences were resolved with ten paces and a pistol.

Days of Darkness—John Pearce 1994-11-15 "Among the darkest corners of Kentucky’s past are the grisly feats that tore apart the hills of Eastern Kentucky from the late nineteenth century until well into the twentieth. Now, from the tangled threads of conflicting testimony, John Ed Pearce, Kentucky’s best known journalist, weaves engrossing accounts of six of the most notorious accounts to uncover what really happened and why. His story of those days of darkness brings to light new evidence, questions commonly held beliefs about the feuds, and long-running feuds — those in Breathitt, Clay Harlan, Perry, Pike, and Rowan counties. What caused the feuds that left Kentucky with its lingering reputation for violence? Who were the feudists, and what forces — social, political, financial — hurled them at each other? Did Big Jim Howard really kill Governor William Goebel? Did Joe Eversole die trying to protect small mountain landowners from ruthless Eastern mineral exploiters? Did the Hatfield-McCoy fight start over a hog? For years, Pearce has interviewed descendants of feuding families and examined skimpy court records and often fictional newspapers to rest some of the more popular legends.

History Mysteries—James C. Klotter 1989-09-19 Discusses the disappearances of a hunter and an emblessee, the death of Tecumseh, and the assassination of a Kentucky governor.

My Own Story; an Account of the Conditions in Kentucky Leading to the Assassination of William Goebel, Who Was Declared Governor of the State, and My—Caleb Powers 2012-08-01 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Goebel’s Kentucky—Lynn McMillan Brothers 1972 William Goebel served in the State Senate of Kentucky for twelve years and during that period he was intimately involved in the politics of the state. However, his life and career have primarily been examined only in the narrow context of the few months preceding his death. One Kentucky historian, Dr. Thomas D. Clark, has recognized this problem and has gone further than anyone else to find its solution. Dr. Clark notes that, “Behind this moment of near civil war in Frankfort there is a long and often devious story. What was the cause of this state of affairs?” The first purpose of this thesis is to aid in the solution to the problem that Dr. Clark has described, to examine the “Goebel Affair” in a broader context. In an attempt to do this I have provided in the second and third chapters a survey of the Kentucky political scene from the end of the Civil War to Goebel’s entry into the legislature. The fourth and fifth chapters are a study of Goebel’s career in the legislature from 1888 to 1898, viewed against the broader backdrop of politics during the period. The last chapter is an account of Goebel’s last political campaign and his last year of life. These chapters are prefaced by an attempt to understand William Goebel as a man. It is hoped that this approach will help to rescue the “Goebel Affair” from the vacuum to which it has so often been relegated.

**Blood in the Hills** - Bruce Stewart 2012 To many antebellum Americans, Appalachia was a frightening wilderness of lawlessness, peril, robbers, and hidden dangers. The extensive media coverage of horse stealing and scalping raids profiled the region's residents as intrinsically violent. After the Civil War, this characterization continued to permeate perceptions of the area and news of the conflict between the Hatfields and the McCoys, as well as the bloodshed associated with the coal labor strikes, cemented Appalachia's violent reputation. Blood in the Hills: A History of Violence in Appalachia provides an in-depth historical analysis of hostility in the region from the late eighteenth to the early twentieth century. Editor Bruce E. Stewart discusses aspects of the Appalachian violence culture, examining skirmishes with the native population, conflicts resulting from the region's rapid modernization, and violence as a function of social control. The contributors also address geographical isolation and ethnicity, kinship, gender, class, and race with the purpose of shedding light on an often-stereotyped regional past. Blood in the Hills does not attempt to apologize for the region but uses detailed research and analysis to explain it, delving into the social and political factors that have defined Appalachia throughout its violent history.
